The Medical Group at Montefiore | St. Luke's Cornwall

Established in 2011, The Medical Group at Montefiore St. Luke's Cornwall was started by a group of experienced physicians who earned the respect of the community with their many years of local practice. These physicians have recruited and mentored young professionals to join them and carry on their legacy of high quality medical care. With offices in Newburgh and Cornwall, our highly-trained physicians offer a broad spectrum of care, including:

- Anemia Center
- Bariatric Surgery
- Colorectal Surgery
- General Surgery
- Gastroenterology
- Hematology/Medical Oncology
- Infectious Disease
- Occupational Health
- Pain Management
- Palliative Care
- Patient Education
- Patient Self-Management Support
- Primary Care
- Reconstructive & Plastic Surgery
- Rheumatology
- Wellness Education
- Weight Loss Management
- Women's Health

In addition to the group doctors, our affiliation with Montefiore St. Luke's Cornwall allows The Medical Group direct access to a network of award-winning medical services.

- Cardiac Rehabilitation
- Dialysis
- Imaging
- Laboratory Services
- Oncology & Radiation Services
- Physical Therapy
- Sleep Medicine
- Vascular Services
- Wound Healing & Hyperbaric Medicine

The Medical Group at Montefiore St. Luke's Cornwall maintains a strong collaborative relationship with local surgical and medical specialists to ensure timely access to experienced subspecialty care close to home.

The Medical Group's mission is to focus on the medical needs and challenges of each individual who entrusts their health care to the practice. By combining preventative medicine strategies with state of the art treatment options, our physicians are committed to providing the high quality health care that our community deserves.

The Medical Group offers patients 24-hour access to their medical records through MyChart, which allows patients to view test results, communicate with the provider, request medication refills and more. Additionally, we offer patient education tools as well as provide patient self management support services.

We accept most insurance plans, and to work with those without health insurance. For specific information, contact our offices.

OUR PROVIDERS

KATHRYN HAM, PA | MEDICAL WEIGHT LOSS & BARIATRIC SURGERY

Kathryn Ham, PA, is an ACLS and BLS-certified physician assistant specializing in Bariatric and General Surgery, with an additional focus in Medical Weight Loss Management. She received her MS in Physician Assistant Studies from Albany Medical College.

ALFAKELLY HENRIQUEZ , MS ED, FNP-BC | PAIN MANAGEMENT

Alfakelly Henriquez, M.S. Ed., FNP-BC, is a board-certified Family Nurse Practitioner dedicated to providing compassionate, evidence-based care. She earned her Master's degree as a Family Nurse Practitioner from William Paterson University. She has a strong foundation in cardiovascular medicine, clinical research, and biomedical sciences. Her diverse clinical background includes advanced heart failure management, ventricular assist device (VAD) therapies, urgent care medicine, and comprehensive wound care.

In addition to her clinical practice, Alfakelly has extensive experience in clinical research. At Columbia University Irving Medical Center, she conducted research in pediatric gastroenterology and hepatology, focusing on pediatric fatty liver disease. She also participated in cardiovascular clinical trials comparing anticoagulation therapies in patients with cardiac assist devices. Most recently, while serving on Montefiore Health System's cardiothoracic surgery team, she contributed to published research on the management of driveline-associated infections in patients with left ventricular assist devices (LVADs). As a Pain Management Nurse Practitioner at Montefiore St. Luke's Cornwall, Alfakelly is committed to delivering exceptional patient care. She looks forward to continuing her involvement in clinical research, with a focus on advancing innovative, long-term pain management strategies and improving patient outcomes.

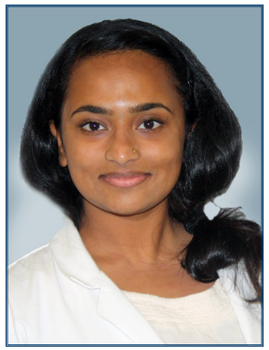

Alfakelly is fluent in English and Spanish and is dedicated to combining clinical excellence with patient-focused care to help patients achieve their highest level of health and function. When she is not caring for patients, Alfakelly enjoys spending time with her family and friends. She is married and has one son. Her interests include traveling, watching beach sunsets, horseback riding, and exploring regenerative health and longevity medicine.

- Repair of Facial Lacerations

OUR PROVIDERS

RACHEL LUGO, PA | GENERAL SURGERY

Rachel is a highly skilled certified surgical physician assistant. She graduated from Pacific University in Oregon in 2014 with a Master's in Physician Assistant studies. She has over a decade of experience assisting in complex surgical procedures, including general and vascular surgery. She excels in ensuring patient safety, providing comprehensive peri-operative care and education for surgical patients.

SANDEEP MALIK, MD | HEMATOLOGY & MEDICAL ONCOLOGY

Dr. Sandeep K. Malik is a highly skilled and compassionate physician specializing in Internal Medicine, Hematology, and Medical Oncology. He earned his medical degree from Maulana Azad Medical College in New Delhi, India, one of the country's most prestigious medical schools. Dr. Malik completed his residency in Internal Medicine at Montefiore Medical Center, where he honed his expertise in managing complex medical conditions across diverse patient populations. Dr. Malik further advanced his training with a fellowship in Hematology and Medical Oncology at the Albert Einstein College of Medicine, gaining extensive experience in the diagnosis, treatment, and management of a wide range of hematologic disorders and cancers. Dr. Malik joins The Medical Group at Montefiore St. Luke's Cornwall with leadership oversight of the Anemia Center, where he will focus on providing comprehensive, patient-centered care to individuals with chronic anemia, blood disorders, and cancer. He is committed to delivering the latest evidence-based treatments, utilizing innovative therapies, and coordinating care across multidisciplinary teams to optimize outcomes and enhance the patient experience.

Throughout his career, Dr. Malik has been recognized for his dedication to patient advocacy, education, and the highest standards of clinical excellence. His clinical interests include advanced anemia management, hematologic malignancies, solid tumor oncology, supportive care for cancer patients, and personalized treatment strategies.

In addition to his clinical work, Dr. Malik is passionate about mentoring the next generation of healthcare professionals and contributing to ongoing research and quality improvement initiatives. He is known for his approachable, compassionate, and thorough approach, ensuring that each patient receives individualized care and support throughout their treatment journey.

Dr. Malik looks forward to advancing the mission of The Medical Group at Montefiore St. Luke's Cornwall by expanding access to high-quality hematology and oncology services, engaging the community around early and consistent screening, improving patient outcomes, and fostering a culture of excellence and innovation across the Anemia and Infusion Centers.

Some of the services Dr. Malik provides include:

- Hematology
- Medical Oncology

KRISTIN MAGNANINI, NP | NURSE PRACTITIONER

Kristin Magnanini has been caring for patients in the Hudson Valley for fifteen plus years. She earned a Bachelor's of Science in Nursing alongside a Bachelors of Arts in Hispanic Studies in 2010 from Mount Saint Mary College in Newburgh, New York. While gaining valuable bedside nursing experience in critical care and labor and delivery specialties, she completed her Masters of Science in Nursing also at Mount Saint Mary College in 2016. She began her career in advanced practice as an Intensivist NP, and later found her true passion in Gynecologic Oncology in 2018. She has experience with surgical oncology care, managing chemotherapy and radiation therapy side effects, and in cancer surveillance and survivorship. She has special interests in tumor genomics and hereditary cancer genetics as well as menopause care with hormonal and non-hormonal therapies for the cancer survivor.

Kristin maintains a board certification in Family Medicine from the American Nurses' Credentialing Center and is an allied health member of the Society of Gynecologic Oncology. She strongly believes in the importance of staying up to date on emerging cancer research, regularly attends national and international oncology conferences, and has participated as a co-investigator on several clinical trials in her career. She also currently holds a faculty position as an Adjunct Professor for the SUNY Dutchess College of Nursing.

OUR PROVIDERS

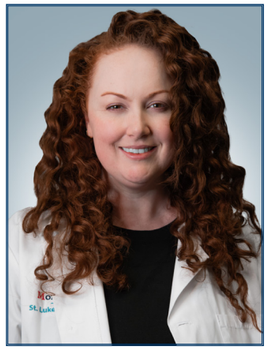

VADIM MEYTES, DO | BARIATRIC AND GENERAL SURGERY

Dr. Meytes is a bariatric surgeon trained to offer minimally invasive/robotic hernia repair, gallbladder removal, acid reflux surgery, and bariatric surgery including gastric bypass and sleeve gastrectomy.

Early in his surgical training at NYU Langone Hospital-Brooklyn, he recognized a growing need to offer the highest level of care in the most minimally invasive approach for various diseases. Since 2017, Dr. Meytes has been providing quality surgical care to communities in the Hudson Valley.

Some of the services Dr. Meytes provides include:

- Sleeve Gastrectomy
- Gastric Bypass
- Hernia Surgery
- GERD Management
